Mr. Briand C. Wu, Ph.D.  
Environmental Engineer  
United States Environmental Protection Agency  
536 South Clark Street  
Chicago, Illinois 60605

Dear Mr. Wu:

Attached is a schedule of the trains operated in the vicinity of 126th Street over our Dolton Line. This does not include any extras.

As we discussed, the schedules are not maintained to the extent, the trains can very well be three hours in advance or three hours later than the schedule.

Yours truly,

C. M. Pitts  
Terminal Superintendent
